COLONEL BRYAN VISITS GETTYSBURG

DELIVERS A GREAT AND ELOQUENT LECTURE IN XAVIER HALL.

His Message is One of Political Righteousness, Justice and Purity on the Questions for the Nation Today.

RECORDS OF OUR REPRESENTATIVES AT HARRISBURG DEFERRED CONDEMNATION.

It can be said that Senator McPherson's position on public affairs has met, in a number of instances, with unqualified condemnation from Governor Penrycker. What he has received from the official head of his own party he deserves from the people of his own country.

Senator McPherson introduced the bill to criminally punish and one giving aid in the procurement of divorce. Governor Penrycker, according to his veto, that the bill was useless, as long as divorce were lawful, to aid in procuring that which was lawful could not be unlawful.

That was not the only condemnation he receives from the Governor. He introduced that is offered as his own, in an authorizing County Commissioners, in order to pay current expenses, to borrow money upon the note of the county equal to 50 per cent. of the taxes received during the year preceding. The Governor vetoed this bill of Senator McPherson, declaring that the policy of permitting counties to issue promises to pay in order to meet their current expenses, is of very doubtful wisdom.

This is not all, however. A bill was offered in the Senate providing for a system of drainage and sewerage for first class townships. The bill was committed to the Judiciary General Committee, of which Senator McPherson is a member. It was favorably voted upon in committee and Senator McPherson in person reported it to the Senate. When this bill, for which he is in part responsible, reached the Governor, it was vetoed and unmercifully condemned by him.

The bill made it lawful for an individual or a corporation to own any part or all of a system. The Governor declared the ownership of a system of sewerage to be a municipal function, and that sewers ought to be the subject for

a private corporation.

A private corporation is not a mass well adapted for the performance of necessary work. There is a divided duty.

The service to the public is always affected by the fact that it is important to make a profit for the holders of the stock.

The bill authorizes the taking or improving of private property under the power of eminent domain to insure the use of the property to individuals or corporations, who presumably would not buy unless there could be assured a profit to themselves.

If the time should come there is need for township sewerage, the means ought to be provided by the townships and the ownership ought to remain with them.

The tendency of corporations to secure control of public works with a view to anticipated profits, and the easy-going attitude of the representatives of municipalities to particular contractors to be secured, ought not to be encouraged or extended.

Senator McPherson reported another bill to the Senate for an incorporation, which took the popular title of the Sub-quebec Canal grab.

Senator McPherson voted for the act empowering County Commissioners in cities to appoint election officers in place of the Court. This would have given the Machine the power to further depress elections. The State would have been in the power of the Machine. It was too much for Governor Penrycker and he vetoed it.

There was a bill before the Senate to make the poll tax ten cents in cities. The Republicans supporting the anti-slavery as the reason for the bill that the politicians have to contribute liberally to uphold their party when it comes to a contest, with the poll tax as it is at present, and that both parties are sick of it.

make all. Why is this? There seems to be but one reason: no young man wants to work on the farm now. We have no day laborers in this place. What is the farmer to do for hands? J. P. S.

NEWS TWO TAVERNS LETTER

Levi Wilson, Sexton of Grace Church for Twenty-Five Years Dies Suddenly.

Two Taverns, April 14.—Mr. Levi Wilson died suddenly Tuesday morning at 9 o'clock, aged 69 years and 15 days. The deceased was one of our most remarkable characters. He was a carpenter, and was section of Grace Church minister since it was built in 1877. His devotion to duty both as sexton and as a Christian were very much admired by all who knew him. He was the absolute master of a pen, a chisel, and a saw. He was a member of Mt. Zion Rev. Dr. T. J. Barkley, conducted the services.

Miss Virginia Piggel is very ill with pneumonia, writing.

A child of Augusta Bentz, it is reported, has diphteria.

Easier Services at Grace Church were well rendered and well attended the past week.

Miss Emma Wilson, of Williamsport, is visiting in our vicinity.

Many of our farmers are getting impatient with the wet weather retarding spring work. They should wait because, most likely, next summer it will be the reverse.

The maid of honor will carry pink roses and the bridesmaids, pink carnations.

Rev. E. E. Blint, pastor of St. Paul's

Lutheran Church will perform the ceremony and Mr. David Hartman, of Hazelton, will play the wedding march.
